PIANO TEACHERS' Assoc., Inc.

NEPTA MENTORING PROGRAM

Date

Dear Parents:

Your piano teacher, _____, has volunteered to participate in the NEPTA Mentoring Program. The purpose of the NEPTA Mentoring Program is to give NEPTA members the opportunity to broaden their teaching experience through observation of and discussion with experienced master teachers, to give master teachers the opportunity of passing on their teaching legacies and to establish close collegial relationships between NEPTA members.

Your child's lessons will be observed by Ms./Mr. _____, a NEPTA member and Mentee, over a period of _____. Your child will be supervised by your teacher at all times. The Mentee will be observing lessons only, not interrupting the lesson process. He or she will not be teaching your students during the mentoring period. If you should have any questions or concerns, please speak to your teacher.

We appreciate your participation in this program. Through your openness, Mentees will gain new insight into the art of teaching. Through sharing of skills and talents, master teachers will pass on the richness of their experience to a new generation of teachers.

Please sign the attached parental permission form and return to your teacher. Thank you.

Sincerely,

Elizabeth Ann Reed
Chairperson, NEPTA Mentoring Program
